

Whangamata Area School Chromebook Lease to Own Form

For students in Yr 7-13, a chromebook or similar is the only piece of stationery we ask for parents/caregivers to supply. We understand that a one-off purchase can carry significant costs for some households and as such, a lease to own option is available through the school. If you wish to pursue this option please fill in the form below:

I would like to Lease to Own a chromebook for my child _____
from Whangamata Area school. By entering into this agreement I will:

- Lease to own a Chromebook from Whangamata Area School for my child to use both at school and at home for the 2021 school year, and beyond.
- Honour any lease agreement that I enter into with the school.
- Ensure that the device is always cared for appropriately while in our possession (guidelines will be supplied).
- Both myself and my child agreeing to, and signing, the Whangamata Area School Student Owned Devices Agreement Form.

Damages / Repair Procedure

If your Chromebook is not working as expected or is having issues, please bring it to the Whangamata Area School office. We will have it looked at and access the problem / damage. If damage (and not a warranty issue), repairs will be at the principal's discretion dependant on the damage and likely cause of damage.

Name of Student: _____

Year Level for 2021 (please tick):

Year 5 Year 6 Year 7 Year 8 Year 9 Year 10 Year 11 Year 12 Year 13

Parent Name: _____

Signature: _____

Date: _____

Email Address: _____

The School will handle any warrant issues or damages (at the Principal's discretion). If not working or damaged please send it to the office and explain what the issue is with your chromebook. Our technician will check it and get back to you with a decision on whether it can be repaired or not.
